CONTEXT

OPPORTUNITIES AND CHALLENGES

- **Entrepreneurship as a career option** (99.8% of the companies are SMEs, less European people – 45%, comparing with American – 61%, are keen to start their own business)
- **Lack of up-to-date research and information**
- **European legislation** (SBA – Erasmus for Young Entrepreneurs, Jasmine initiative; Europe 2020)
- **Economical crisis** (Europe needs new entrepreneurs)
- **Lack of entrepreneurial education and training** – harmonization of practical skills with theory
- **Reduction of administrative and fiscal burdens** for young entrepreneurs
- **Lack of internationalization** of young entrepreneurs businesses

WHY TAKING PART?

1. Fresh, new approach, practical experience
A very efficient method to learn, the entrepreneurs don't have time!
2. New and up-to-date information
The strategy of Austria related to CEE countries
3. Networking
New contacts for business, projects or education programs – MBA
4. Mix: business environment & scholastic approach
The input of the entrepreneur in the lectures and seminars attended
5. New projects, ideas and partners
European Social Fund – POSDRU – Domain 2.1: transition from school to active life
6. European dimension
Meeting the Romanian students
7. Fun
Vienna it's a very nice city

CONTINUATION

- 1. Involve more the young entrepreneurs association and their representatives*
- 2. Extend it to other non-EU countries*
- 3. Promote the idea at European level (EESC seminar)*
- 4. Business related: include this project in the internationalization process*
- 5. Legislation: incentives for young entrepreneurs taking part in such activities*

Teşekkürler!
