Entrepreneurship/Intrapreneurship

Some Questions

- Is it possible to identify entrepreneurial and intrapreneurial firms?
- Is it possible to establish a link between local development and the degree of entre/intrapreneurship?
- Is it possible to foster entre/intrapreneurial levels through universities?

The role of EUE-Net

- Considering the concepts and the relations previously presented what can we do in the future?
 1. Analyze and define the concepts of entrepreneurship and intrapreneurship (focusing the differences among countries and activity sectors)
 2. To identify/describe the role of universities and enterprises on entre/intrapreneurship;

The role of EUE-Net

3. To build a battery of indicators for entrepreneurship and intrapreneurship (by activity sector??)
4. To build a battery of indicators to measure local development ?? (Sustainable development)
5. Is it possible to identify courses or subjects to offer in order to improve entrepreneurship among students?
6. Is it possible to identify entre/intrapreneurship characteristics on students?
